IN MEMORIAM

During the past twelve months 379 Nobles of Aleppo Temple were recorded as having passed within the unseen Portals.

*"There are stars that go out in the darkness
But whose silvery light shines on;
There are roses whose perfume still lingers
When the blossoms are faded and gone.

There are hearts full of light and of sweetness,
When no longer their life current flows,
Still their goodness lives on with the living,
Like the soul of the star and the rose."*

The list of departed Nobles includes the names of Nobles whose demise was reported to the Temple in the past twelve months . . . November 1, 1962 to November 1, 1963.

The officers and Nobles of Aleppo Temple express their sympathy to the families and friends of the worthy Nobles who have passed through the portals of the "Unseen Temple." We mourn their departure. May they forever live on in our memory.
